Junior Driver Info:

10 and under drivers must have a knowledgeable adult horseman in the cart with them at all times, on the grounds and in the rings. 11-13 year olds must also have a knowledgeable adult horseman in the cart with them at all times, on the grounds and in the rings. There may be an exception for cones, at this venue, if the equine is a single VSE and the driver is capable, as that ring is fenced in. Check with the organizer at the site. For 14-18 year olds, the requirement for an adult horseman in the cart is at the organizer's discretion, and will be decided on an individual basis after consulting with the parent or trainer of the entry and knowledge of the equine. Juniors this age need to ask the organizer if they require an adult with them.
