

Hello Everyone,

I'd like to share a little information about our Year-End Awards Banquet and our upcoming cones clinic, "**All About Cones!**"

If you plan to bring a horse and participate, the entry fee is \$50.00. The entry form will be available on the website soon. There is no fee to audit the presentation.

We are very excited to have Julie Mitchell as our clinician. If you've never taken a lesson from Julie, you don't know what you're missing! She is easygoing, knowledgeable, and a wealth of information.

We'll begin the day at 8:30 a.m. in the cones course area. Bleachers will be available, but seating is limited, so you may want to bring a chair.

The ADS Conference is coming up November 19-22 in Temecula, California, and Julie will have the exciting opportunity to take a lesson with legendary FEI driving master **Koos de Ronde** from the Netherlands.

How lucky are we to have Julie come back and share what she learned while it's still fresh in her mind? This is a rare chance to benefit from the knowledge and expertise of one of the sport's top competitors and trainers, passed along through Julie's firsthand experience. We're looking forward to hearing all about it!

After Julie's presentation, we'll head to the cones course so you can show her what you've learned. If time permits, we'll try to have everyone run through the course before lunch. If not, we'll continue after lunch. Everyone who wants to drive the cones will get a turn with Julie's feedback, and we'll even have a few fun prizes!

For our Lunch Menu our grill masters, Mike Self and Tom Mitchell, will be serving up hamburgers, veggie burgers, and hot dogs fresh off the grill. We'll also have potato salad, baked beans, and macaroni salad, along with some special dessert treats. Water and soda will be provided by the club.

The club is covering lunch for all members and their families (for those with family memberships). If you bring a non-member guest, we ask for a \$10.00 lunch fee.

We will be giving out year-end awards after lunch which is approximately around noon.

Most importantly, we hope everyone comes ready to have fun. Let's keep this a relaxed, enjoyable event with no expectations, just a great day of learning, driving, and spending time together.

We hope to see everyone there!

Thanks, everyone, for your attention.

Rita Self
ADCS President
