*Only 4 best place points count
*Tie broken by dressage average for the same 2 events.
***Tie broken by dressage average for the same 3 events.

2 More than 4 events, so a lowest score is not counted for pice points, since only four count.

Prizes awarded through 6 places. Two events must be attended to qualify for a Year End Prize.
At least one event must result in a final score (not an E) to be placed as Champion of the class.
*Best 4 place points count, all participation points count.
If two are tied for a place at year end, best two dressage scores average will break the tie, unless both have additional events, then we use the scores average for the same events.
