

## HOW TO RESERVE AN RV SPACE AT HORSESHOE PARK EQUESTRIAN CENTRE

Click on the website link below. Then on the page that opens, click on “Log In with Email” which will take you to another page where you can sign in if you already have an account with Queen Creek, otherwise, click on “sign up.”

Create an account. Then back on the page that had “Log In with Email,” click on HPEC RV RENTALS which is right above the “Youth Sports/Fitness” heading on the page. That will take you to the reservation page. Scroll down to the chart with the RV spaces on the left hand side and the available dates across the top. Advance the date to Nov. 8 to see spaces available during our show. See the spaces map on that page to help pick a space. We are in the large barn on the west side.

Click on the chart on the space/dates you want to reserve. A form will pop up showing the date. Adjust to include the date(s) you need, and then choose your rate in the drop down menu. Our event is listed there. If not already signed in, you can then sign in and pay for your space.

Dry camping reservations do not appear to be possible with the online reservation system. You may need to call the facility to arrange for dry camping. See the Prize List for that contact information.
