

2021 ADT #1 Grounds

If you use GPS, it may take you too far east. Entrance is off Lost Dutchman Blvd. at Tomahawk. Obstacle order not yet 100% determined, and In/Out gates not set. **Change:** Obstacle 3 will use the bush area and the Barrel Obstacle (previously listed as Obs.3) will now be Obs.2, and in the area shown for Obs. 2.

Tomahawk turns into the entrance road. It is just out of view on this map.
